## FOREIGN NEWS

The Eastern Situation.

WASHINGTON, Oct. 4.—The United States government has taken a decided step in the development of the Chinese situation in a note delivered today by Secretary Hay to the German Charge d'Affaires, Baron Speck von Sternberg. In the note favorable action by this government on Germany's latest suggestion concerning the punishment of Chinese criminals is expressed and the announcement is made that the United States already has sent instructions to Minister Conger along the lines indicated. The instructions to Minister Conger are that he shall learn the names of the Chinese offenders who are to be punished; also whether the punishment to be administered is adequate to their offenses, and finally whether the punishments are actually administered.

The American note is considered the most important in the establishment of complete unity between the United States and Germany.

Germany's Latest Note.

BERLIN, Oct. 4.—An official of the Foreign Office informs the correspondent of the Associated Press that Germany has issued a second note to the powers regarding the method of securing punishment for those guilty of the outrages in China. This note is issued as a result of the edict of the Emperor of China beginning proceedings against Prince Tuan and others. The note is as follows:

"The Emperor of China has addressed to the powers an edict dated September 29 in which he orders the punishment of a number of Princes and dignitaries mentioned by name, for having encouraged the Boxers. On the assumption that the edict is genuine, the German Government, in furtherance of the procedure proposed in its circular note of September 17, has further proposed to the powers to an agreement to instruct their diplomatic representatives in China to examine and give their opinion on the following points:

"1. Whether the list contained in the edict of persons to be punished is sufficient and correct.  
"2. In what way the powers can control the carrying out of the penalties imposed.  
"The information received up to the present concerning the reception of this proposal by the powers justifies the belief that a general understanding on this matter may be looked for."

Canton District Irritated.

HONG KONG, Oct. 4.—The whole delta land between the Canton and West rivers is in a state of dangerous irritation in consequence of the circulation of bogus edicts telling of the defeat of the allies and of the machinations of secret societies.

Rioters are marauding and plundering the villages, especially the converts' houses.

British and French gunboats are patrolling the waterways. This has had a salutary effect in preventing attacks on steamers.

More Fighting in the Philippines.

MANILA, Oct. 4.—The new Philippine commission today appropriated \$287,000 (Mexican) for the payment of sundry expenses incurred by the military for the benefit of the insular government during September, and also donated \$1,500 (Mexican) to the widow of the loyal and efficient Filipino president of the town of Santa Cruz, who was revengefully murdered by the insurgents. The purpose is to show the United States Government's intention to protect its friends and faithful servants, the Bolos of Pannay Island and the civil government.

Monday night, Oct. 1, the rebels killed Lieutenant Max Wagner of the Twenty-sixth regiment of volunteer infantry near Pavia, island of Panay. A detachment of the Forty-fourth Regiment at Bohol Island, one of the Visayan group, has encountered a force of the enemy, killing thirty of them. One American was killed.

Democratic Landslide Predicted.

CHICAGO, Oct. 4.—Democratic National headquarters has given out its first official forecast of the coming election. J. G. Johnson of Kansas, chairman of the National Executive Committee, did the figuring and announced this result: Electoral votes claimed for Bryan, 320; electoral votes for McKinley, 94; electoral votes in doubt, 32.

The States conceded to McKinley are Oregon, Iowa, Pennsylvania, West Virginia and the New England States. In the doubtful column is put Michigan, Minnesota and New Jersey. Everything else is put down for Bryan.

The restrictions around Krueger are increasing, and he is virtually a prisoner. He has been allowed to use the Portuguese governor's carriage. While out driving recently he met a party of burglars and made them a patriotic speech. The governor has now refused the use of his carriage. Krueger has been warned to make no more speeches and is forbidden to wear the green sash that is the insignia of his office. Krueger expects to sail on a Dutch steamer on Monday.
